Ravalli County Commissioners

**TO: COMMISSIONERS**  
**FROM: Alex Beal, Deputy** AB  
**DATE: February 7, 2007**  
**RE: Daly Ditches Reorganization**

Dear Commissioners:

George passed along to me Glenda's memo on the upcoming hearing (February 15<sup>th</sup>) to shift the ditch district boundaries. After reviewing the court filing and discussing the matter with Dick Weber, I am certain that no action is required on your/our part. While some of the ditches may pass under/through county land, the county is not a member or overseer of any of the districts. This change in boundaries proposed should not modify the delivery of water in any way, but merely balance out the number of people in each of the (private) district boundaries to make running those districts easier for the members.
